EMBRACE OUTDOOR SOFA

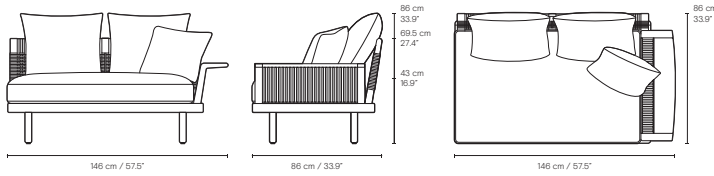

The Embrace Outdoor Lounge Sofa designed by EOOS is a flexible, modular design featuring a solid FSC-certified untreated teak frame and soft upholstery. A hand-woven flat rope back and armrests support soft upholstery in a range of earthy colours. The sofa is fully customisable and can be freely combined from seven standard modules. All pillows and cushions are made from quick-drying foam and are upholstered in weather-resistant Agora Life textiles. Pillows come in six colours, while cushions are offered in three, all inspired by the Scandinavian landscape. The covers are fully removable for customisation and cleaning.
