

Beam Wall Lamp

“The idea for the Beam Lamp came while renovating my childhood home. I had made a shelf to use as a divider between the hallway and living room and needed a lamp that could at once throw light out into the living room and down the hallway. The Beam Lamp mimics a single ray of light that travels through a round tube with its dimmer, allowing the user to change the volume of light omitted from both ends of the cylinder shape. Tweak the design to your personal needs through its rotating base and sleek body of anodized aluminum, whether it be as direct lighting or for an ambient glow. With the Beam Lamp, you can alter the volume of light omitted, change its direction by the turn of its base, and place it on any shelf, table, or windowsill for a new perspective on modern lighting.”

— Tom Chung

Designed by	Tom Chung
About the Designer	Tom Chung is an independent industrial designer who established his eponymous studio in 2016. Based in Amsterdam, the studio maintains a focus on industrial objects and interior spaces. Forming a unique design process that combines contemporary culture and local industry, the studio creates context-driven industrial design pieces for domestic, institutional and public environments.
Environment	Indoor
Country of Production	China
Preassembled	Yes
Description	The Beam Wall Lamp brings flexible lighting to any space with a clean, cylindrical design that emits light from both ends. Echoing the visual language of the Beam Table Lamp, it features three dimmable levels, 345° rotation, and can be soft—or hardwired. Ideal for reading nooks, kitchen spots, ambient wall lighting, corridors, or hospitality interiors.
Material	Extruded and anodized aluminum lamp body. Diffuser in opaque polycarbonate (PC).
Cleaning & Care	Clean with a dry cloth. Always switch off the electricity supply before cleaning.
Cord Length	250 cm / 98.4"
Light Source Included	Yes.
Dimmable Function	Yes.

Beam Wall Lamp

Dimensions

Height:	15,4 cm / 6.1"
Width:	15 cm / 5.9"
Depth:	10,8 cm / 4.3"
Diameter:	7 cm / 2.8"
Cord Length:	250 cm / 98.4"

Ready-to-Ship

Black
Polished Aluminum

Lamp Rating

Voltage	100-240V
Frequency	50/60Hz
IP Rating	IP20
Classification	Class II
Socket	Integrated LED x2

Light Source Specification

Item	Integrated user replaceable LED
Watt	7,2W
Lumen	1099 lm (max intensity). 3 steps 100%, 50%, 20%.
Kelvin	2700K
Lifetime	56.000h
CRI	90
Dimmable	Except

Tests, Labels & Certifications

Safety & Regulations	REACH Restriction of Hazardous Substances Directive (RoHs)
----------------------	---

IP20
