

PIPE

by Rune Krøjgaard & Knut Bendik Humlevik

The Pipe Lamp is an energy-saving lamp made from traditional steel pipes and features an included LED bulb.

The Pipe series are formed by the inspiration of the industry, where pipes are often necessary for daily operations.

The lamp is clearly part of a family that teams up with its different heights - for in both industry and installation, a pipe seldom comes alone. The light from the LED bulb provides a directional warm tone.

The Pipe Lamp is available in 3 heights (40, 48, 56 cm).

MATERIAL SPECIFICATIONS

- Cable Length: 180 cm
- Material Pipe - Raw, Black & White: 100% Iron
- Material Pipe - Brass: 100% Brass
- Cord: Black or White
- Socket: E14
- Cord type: Fabric
